

STUDENT INVENTORY SHEET

Please read through this inventory list carefully! The items listed are the **ONLY** allowed items at Bloom. **Some items are optional** and **some are seasonal** and may not be required for when your daughter is here.

All necessary items should be brought with you at intake and will be checked in and marked with the student's initials. Anything that is brought in that is **NOT** on this list will be sent home. If an item is tried on following Intake and is deemed inappropriate it will be held until it can be picked up by parents or returned at time of discharge.

Items may NOT be exchanged during the duration of the program without specific permission.
